

With respect to the traditions and philosophy of Italian cuisine, we apply contemporary techniques and use the highest quality local ingredients. Our wines are selected to compliment our food highlighting a range of Italian varietals as well as some favourite bottles from North America. We serve what we love to eat and drink, and we can't wait to share our passions with you.

A family-style dinner at Bonterra consists of four multi-plate courses served over two to four hours. An antipasti selection starts off the evening and is followed by a pasta course, meat and vegetable course, and finally a dessert course. Guests are always amazed by the abundance and quality of all of the food offerings!

Grandioso

\$84 per person | This dining style is only available for full capacity.

An incredible feast with something for everyone, this menu is offered for standing, cocktail-style events. The magic of this style of dining is the flow and interaction between guests as they move around the room, sampling delicious food from different stations. An antipasti table features an incredible selection of around 20 hot and cold plates, at a live pasta station, cooks prepare pasta or risotto fresh and hot for guests. A carne station features a cook carving portions of either beef, pork or lamb for guests – served with appropriate accompaniments.

Finally, a dessert table offers a beautiful spread of house-crafted desserts, with traditional favourites and new creations from our bakery team – all served bite size for your convenience.
